

University High School School Council
Grant Request Form
2019-2020 school year

UHS Site Council is responsible for reviewing and approving the allocation of undesignated tax credit monies. These funds, which are subject to State of Arizona guidelines, are intended to provide support for eligible activities, supplies and materials that enrich or enhance the academic experience of UHS students and could not otherwise be funded. To further a consistent and fair process, the Site Council has designated the Tax Credit and Budget Subcommittee to accept applications, evaluate requests, and recommend action to the Site Council.

Step 1: Determine Eligibility

The State of Arizona has established guidelines for tax credit monies. All requestors should review these guidelines to see if the proposed request meets eligibility requirements.

(<https://www.azdor.gov/TaxCredits>)

Step 2: Complete Appropriate Request Form

There are two forms to request tax credit monies: *Form A: Grant Request for Activities* and *Form B: Grant Request for Supplies & Materials*. Based on the nature of the request, complete the appropriate form and submit to Carol Gaddis, UHS Staff, at least two weeks prior to the Site Council's scheduled monthly meeting. Supporting documentation must be stapled to the request. Requestors should ensure that the narrative is concise and clear and that it includes an itemization of the proposed costs. Applications will be considered on a first-come, first-serve basis. Funds will be awarded based on their availability and how well the grant request aligns with the goals of the Site Council.

Step 3: Tax Credit and Budget Subcommittee Review

All grant requests will be reviewed by the Tax Credit and Budget Subcommittee, typically the Wednesday prior to the scheduled Site Council meeting. Subcommittee members may ask requestors to attend their meeting to provide additional input.

Step 4: Site Council Vote

The Tax Credit and Budget Subcommittee submits their recommendation in the form of a resolution for the Site Council to accept or reject. Requestors will be notified of the disposition of their requests within one week of the meeting. If a request is not approved or returned for additional information, it may be reconsidered at a subsequent monthly meeting provided the requestors submit additional documentation per the timeline and process outlined in Step 2 above. Recipients of Site Council grants are asked to wait one year before submitting another request.
