

University High School School Council
Grant Request Form
2020-2021 school year

UHS Site Council is responsible for reviewing and approving the allocation of undesignated tax credit monies. These funds, which are subject to State of Arizona guidelines, are intended to provide support for eligible activities, supplies and materials that enrich or enhance the academic experience of UHS students and could not otherwise be funded. To further a consistent and fair process, the Site Council has designated the Tax Credit and Budget Subcommittee to accept applications, evaluate requests, and recommend action to the Site Council.

Step 1: Determine Eligibility

The State of Arizona has established guidelines for tax credit monies. All requestors should review these guidelines to see if the proposed request meets eligibility requirements.

<https://www.azdor.gov/TaxCredits>

Step 2: Complete Appropriate Request Form

There are two forms to request tax credit monies: *Form A: Grant Request for Activities* and *Form B: Grant Request for Supplies & Materials*. Based on the nature of the request, complete the appropriate form and submit to Carol Gaddis, UHS Staff, at least two weeks prior to the Site Council's scheduled monthly meeting. Supporting documentation must be stapled to the request. Requestors should ensure that the narrative is concise and clear and that it includes an itemization of the proposed costs. Applications will be considered on a first-come, first-serve basis. Funds will be awarded based on their availability and how well the grant request aligns with the goals of the Site Council.

Step 3: Tax Credit and Budget Subcommittee Review

All grant requests will be reviewed by the Tax Credit and Budget Subcommittee, typically the Wednesday prior to the scheduled Site Council meeting. Subcommittee members may ask requestors to attend their meeting to provide additional input.

Step 4: Site Council Vote

The Tax Credit and Budget Subcommittee submits their recommendation in the form of a resolution for the Site Council to accept or reject. Requestors will be notified of the disposition of their requests within one week of the meeting. If a request is not approved or returned for additional information, it may be reconsidered at a subsequent monthly meeting provided the requestors submit additional documentation per the

timeline and process outlined in Step 2 above. Recipients of Site Council grants are asked to wait one year before submitting another request.

Organization/School Club: Band	Requestor Name: Jeff Marchant
Total \$ Requested: \$13,200 or less depending on the vendor selected.	Date of Request: 3/23/21
Date Funds Required: ASAP	
<p>1. Briefly describe the nature of your request, including a description of the activity, event or competition for which the funds will be used; attach literature or brochures if available.</p> <p>We are beginning to embark on purchasing new sousaphones. The biggest wear and tear on them is the fact that they are shipped with substandard cases. Before our parent group begins to make such a large investment in our kids, we would like to have in place sturdy, road-worthy cases for them. No tuba manufacturer ships sousaphones with good cases and these are the type of case that many colleges use.</p>	
<p>2. How often does this activity occur (e.g., one-time, recurring)?</p> <p>Every time our band travels, we use cases. Most of our cases are molded plastic (which is the standard) and nearly all the handles and most the wheels are broken.</p>	
<p>3. What is the educational value and/or benefit of this activity?</p> <p>This is an investment in our students so that precious funds do not need to be allocated to replacing and repairing instruments and parts that need not be damaged or broken in the first place.</p>	
<p>4. How are participants identified or selected to participate in this activity?</p> <p>The self-select by joining band.</p>	
<p>5. How will this activity support the UHS Vision and Goals?</p> <p>Fine arts students are some of the top students in our school, and our classes have state standards attached.</p>	
<p>6. If applicable, please list any other funding sources utilized; describe efforts your organization has made to promote tax credit donations to your stakeholders and supporters.</p> <p>RUMBA will be buying most of the sousaphones which cost approximately \$6500 each for a total of over \$78,000 over the next few years.</p> <p>Note: There are one or two other manufacturers of this type of case. I am awaiting on additional quotes.</p>
